### SUMMARY

Full Stack Web Developer with a background in Business Administration and life-long dedication to learning. Effective at combining creativity and problem solving to develop user-friendly applications and websites. Known among staff for strong wit and attention to detail no matter the complexity of the project. I aim to leverage my skills and successfully fill a Front-End Developer role with your company.

### EXPERIENCE

#### AT&T Mobility, Frisco TX — Retail Sales Consultant

JULY 2014 - PRESENT

- Developed and attained great customer experience while selling all products and services with the intent to grow our customer base.
- Handled all administrative aspects of selling including: completing customer agreements and warranties, up selling devices, integrating phones, tablets and wearable with our home solution products and entertainment services.
- Developed and trained new hires with different up-selling strategies to maximize each customer as an opportunity.

#### Experian Consumer Services, Allen TX — Customer Service Rep II

OCTOBER 2013 - JULY 2014

- Processed and managed credit monitoring memberships to customers potentially affected by Data Breaches.
- Handled customers concerns and disputes on their credit report while up-selling products to enhance security and company profits.

#### Hilton Ponce Golf & Casino Resort, Ponce PR — AR Clerk

JANUARY 2010 - OCTOBER 2013

- Maintained the accounts receivable records for the organization, such as preparing customer statements, bills and invoices, reconciling expenses to the general ledger, credit cards and preparing monthly statements.
- Performed, established and maintained proper accounting practices and procedures according to Hilton Hotel's audits and policies.
